AMEND Senate Bill No. 2614

House Bill No. 2460*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 6, Part 10, is amended by adding the following as a new, appropriately designated section:

§ 49-6-10__.

- (a) Each public school, under the guidance of its local education agency, is encouraged to adopt a recycling program for the school that is appropriate for the recycling options available in its community. Any such recycling program should promote student involvement in the recycling process in order to inculcate as early as possible awareness of the benefits of recycling and lifelong habits of recycling. Such program may include a partnership with a parent-teacher organization, service organization or other non-profit group to provide additional opportunities for instruction about recycling and recycling processes and to provide opportunities for community service by students.
- (b) Each LEA is encouraged to set an example for the students and schools within its jurisdiction by adopting a recycling program for LEA administrative offices that is appropriate for the recycling options in its community.
- (c) The department of education shall provide links on its web site to appropriate internet recycling resources for the purpose of providing schools and LEAs with information on recycling programs.

SECTION 2. This act shall take effect upon becoming law, the public welfare requiring it.
